- 6) Press 'Purchase Book, you will have two options 'New sale' and 'view sale'

Press 'View Sale'. Your screen should look like the image below:

A screenshot of a window titled 'FrmViewOrders'. The window has a dark green header with the text 'View Orders' in white. Below the header, there is a search bar with the text 'Search with Username' and a magnifying glass icon. Below the search bar, there is a table with four columns: 'OrderID', 'UserName', 'Date', and 'Amount'. The table contains four rows of data. The first row is highlighted in green, and the other three rows are highlighted in blue. Below the table, there is a status bar that says '[4] Record Found'.

Through 'view sales' the admin can which users placed the order and the order's corresponding details. Exit 'View Orders' view.

- 7) Press 'Manage Book Stock'. Your screen should like the image below.

The screenshot shows a web application window titled 'Books'. On the left is a form with fields for Book ID (containing '13'), Book Name, ISBN No, Genre, Author (a dropdown menu), No of Page, Price, and Percentage To Authors. On the right is a search bar with the text 'Search with Book Name, ISBN or Gtre Number'. Below the search bar is a table with the following data:

BookID	BookName	IsbnNo	AuthorID	AuthorName
3	Statics Dynam...	618169512	-11	N
5	The History of...	651984	-11	N

11	Wuthering He...	64122	-11	A
12	War and Peace	235668	-11	N

At the bottom of the table are four buttons: 'Add', 'Edit', 'Delete', and 'Close'.

The admin can see which books are in stock and can also re-stock books by providing the necessary details such as Book Name, ISBN number etc. and then pressing 'Add'.

The Book ID is generated by the system. The admin can also delete a record for their convenience by pressing the 'delete' button.

- 8) Press 'close' to quit viewing the stock for books.

- 9) Press 'Authors' to check which author's written books are available at the moment.

19) This will add the particular book to the cart.

The screenshot shows a web application window titled 'frmOrders' with a dark green header bar containing the word 'Order' in a white serif font. Below the header, there is a 'Sale Information' section with three input fields: 'Inv. No' (containing '5'), 'Date' (containing '12/11/2022' with a calendar icon), and 'User' (containing 'gilbert'). To the right of these fields is a search bar with the placeholder text 'Search with Book Name, ISBN or Genre Number' and a magnifying glass icon. Below the search bar is a table of books with columns: BookID, BookName, AuthorID, AuthorName, Pages, Price, %erToPublist, and Add To Cart. The table contains 12 rows of book data. To the right of the book table is a 'Cart' section with columns: Book ID, Book Name, %centage, Price, Qty, Total, and Cancel. The cart currently contains one item: Book ID 5, Book Name 'The Hist...', %centage 10, Price 200, Qty (highlighted in green), Total (empty), and Cancel (a blue link). At the bottom of the window, there are two buttons labeled 'Add' and 'Edit', and a 'Total' label next to an empty input field.
